Subli-Cool 3D surface technology gives you a completely different dimension by taking our Subli-Cool 2.0 base to the next level. This unique 3D surface effect creates a sporty yet fashionable finish to make your garment truly unique.

Whilst still providing the superior performance properties of the Subli-Cool 2.0 yarn technology, you can not only feel confident, but also look fantastic. Combine with our Subli-cool 2.0 Black as a feature, or use as a statement piece on its own. Our 3D surface technology designs will only be available for a limited time only. Once these designs are sold out, they will be replaced with a new and exciting design picked from our extensive library of fashionable and active inspired patterns, allowing us to bring an impressive variety into our range and giving you the opportunity to create something truly unique each time.

You can also select your own 3D custom design from our library for your very own custom batch. Once your order is confirmed, your selected design will become unavailable to our customer base for a 12 month period.
