SUBLI-SHEEN

The Eclipse Subli-Sheen sublimation base has been created specifically to give you a unique, crisp and lustrous canvas to enhance your next sublimation print. Thanks to its unique shape, the high quality trilobal yarn reflects an eye-catching yet subtle elegant shimmer, coming to life under the stage lights.

In conjunction with the fabrics extra weight and high elastane content, it also gives you great support and coverage along with freedom of movement. Subli-Sheen is quick drying with great stretch and recovery.
